

Bretec Pulled Meat Shredder DVM-400

The DVM Series concerns the collection of pulled meat shredders from the Bretec brand.

The DVM-Series is available in 2 versions.

The product must be fed through the input flap at the top. The product then passes through several rotating knife rollers. Depending on the version, the product is placed in a crate or conveyor belt.

The DVM series from Bretec

1. Equipped with clear, simple controls
2. Easy to move

Optionally available with

1. Discharge conveyor (DVM-600)
